HORIZON LINES

The Original Marine Highway Service Between United States Gulf and Southeast

Providing the fastest, most economical and environmentally responsible mode of transport between the United States Gulf and Southeast.

Highlights:

- **Advantageous over-the-weekend transit times:** Ship Friday afternoon from Houston and have cargo available in Jacksonville Tuesday morning
- **Back haul elimination:** Save almost 900 over-the-road miles
- **Environmentally and socially responsible:** Reduce on-the-road collision risks, remove hazardous materials from our highways and vastly reduce your carbon footprint
- **Reduced exposure to delays, theft and damage** versus overland transportation through the Gulf-Jacksonville corridor
- **Largest intermodal network**
- **Heavy load options** for Houston local cargo and other Southeast locations via Jacksonville

Horizon Lines is one of the nation's leading domestic ocean carriers. We offer the most comprehensive network of shipping options and an unwavering commitment to service excellence and innovation.
